# THE STATE OF SOUTH CAROLINA 2009 ANNUAL SCHOOL REPORT CARD

## RATINGS OVER 5-YEAR PERIOD

YEAR	ABSOLUTE RATING	GROWTH RATING
<b>2009</b>	<b>Average</b>	<b>Average</b>
2008	Average	At-Risk
2007	Average	At-Risk
2006	Average	At-Risk
2005	Good	At-Risk

## DEFINITIONS OF SCHOOL RATING TERMS

- Excellent – School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good – School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average – School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average – School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk – School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

## SOUTH CAROLINA PERFORMANCE GOAL

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

## SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

## Report of Principal and School Improvement Council

"Learn-Excel-Achieve-Possibilities" encompasses our belief and vision for all children. The 2009-2010 school year will see the initiation of the Leaphart Engineering Arts Program (LEAP); a K-5 magnet school program for math, science, and engineering. The mission of LEAP is to inspire, challenge, and empower all students by providing a rigorous problem-solving curriculum.

The renovation of Leaphart Elementary School will begin during summer 2009. It will provide an infrastructure that will sustain and support the technology advances which are critical to teaching and learning. We have three mobile laptop carts available to enhance instruction; our teachers continue to develop their instructional technology skills through the aide of a Technology Coach. Lego Robotics will be added to meet the design challenges incorporated into some of the integrated engineering units. Students' ability to develop a strong foundation for literacy is supported at grades 1 and 2 through our Literacy Lab. Guided reading instruction is differentiated to meet the needs and challenges of every student. Additional support is provided to students in grades 2-5 utilizing the strategic work of the reading Interventionist; Reading Recovery services continue to be vital for our most struggling readers in grade 1. The Literacy Coach has worked one-on-one with all teachers to increase their understanding of the Dominion Reading Assessment data and its use to inform their instruction.

Utilization of hands-on learning through the full implementation of FOSS and Delta Science materials has increased across all grade levels. The use of best practice in science by all teachers is supported through their work with the Science Coach. Future work will include the development of common, formative assessments.

Our math interventionist/coach works with at-risk students utilizing the Voyager Math program; this program was initiated during the 2008-2009 school year. She also worked with our identified gifted students in grade 2 whose math aptitude indicated the need for greater challenges. Use of technology and the "Hands on Equations" program helped provide those challenges. A weekly math challenge in the form of a problem-solving program was also provided to all students in kindergarten through grade 5. Our school winners went on to compete in a state "Math Fest"; LES students were recognized winners in grades 2, 3, and 4. Our grade 4 team also took first place honors in the math debate portion of the state competition.

We appreciate the combined efforts of very involved PTO and SIC parent and community groups. The fundraising efforts of the PTO provide monetary support for materials and programs that we would otherwise not enjoy. Parental involvement in family oriented activities such as our Science Inquiry Night and our Math Night at Bi-Lo, to name a few, are opportunities for parents to engage in learning activities with their child.

Building children of character is also important. Incorporation of the Responsive Classroom approach, daily student recognition on WLES for character demonstration, participation in service learning opportunities are all aspects incorporated into the lives of students.

Thank you for the opportunity to be a part of the lives of your children so they may "Learn-Excel-Achieve-Possibilities" at Leaphart Elementary School.

Lucy Turner  
School Improvement Council Chairperson

Rebecca McKenzie-Apling  
Principal

## Evaluations by Teachers, Students and Parents

	Teachers	Students*	Parents*
Number of surveys returned	42	85	37
Percent satisfied with learning environment	71.4%	80.7%	75.7%
Percent satisfied with social and physical environment	61.9%	72.9%	75.0%
Percent satisfied with school-home relations	85.7%	81.2%	85.7%

\* Only students at the highest elementary school grade level and their parents were included.

## Abbreviations for Missing Data

N/A–Not Applicable   N/AV–Not Available   N/C–Not Collected   N/R–Not Reported   I/S–Insufficient Sample

School Adequate Yearly Progress	YES
---------------------------------	-----

This school met 17 out of 17 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status	NI-DELAY
---------------------------	----------

School Improvement Key	
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanctions: Implement the restructuring plan. Continue school choice and supplemental services.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."

Teacher Quality and Student Attendance
